REPORT KAUNAS TPM
7-8/07/2022

**Closing
phase of the
M.O.T.H.E.R.
project:
time to
wrap things
up!**

During the retrospective meeting the partners evaluated the 3rd TPM held in Larissa, reflected about the strengths and weaknesses of the project and prepared the project closure from the administrative point of view sharing feedback and analysis

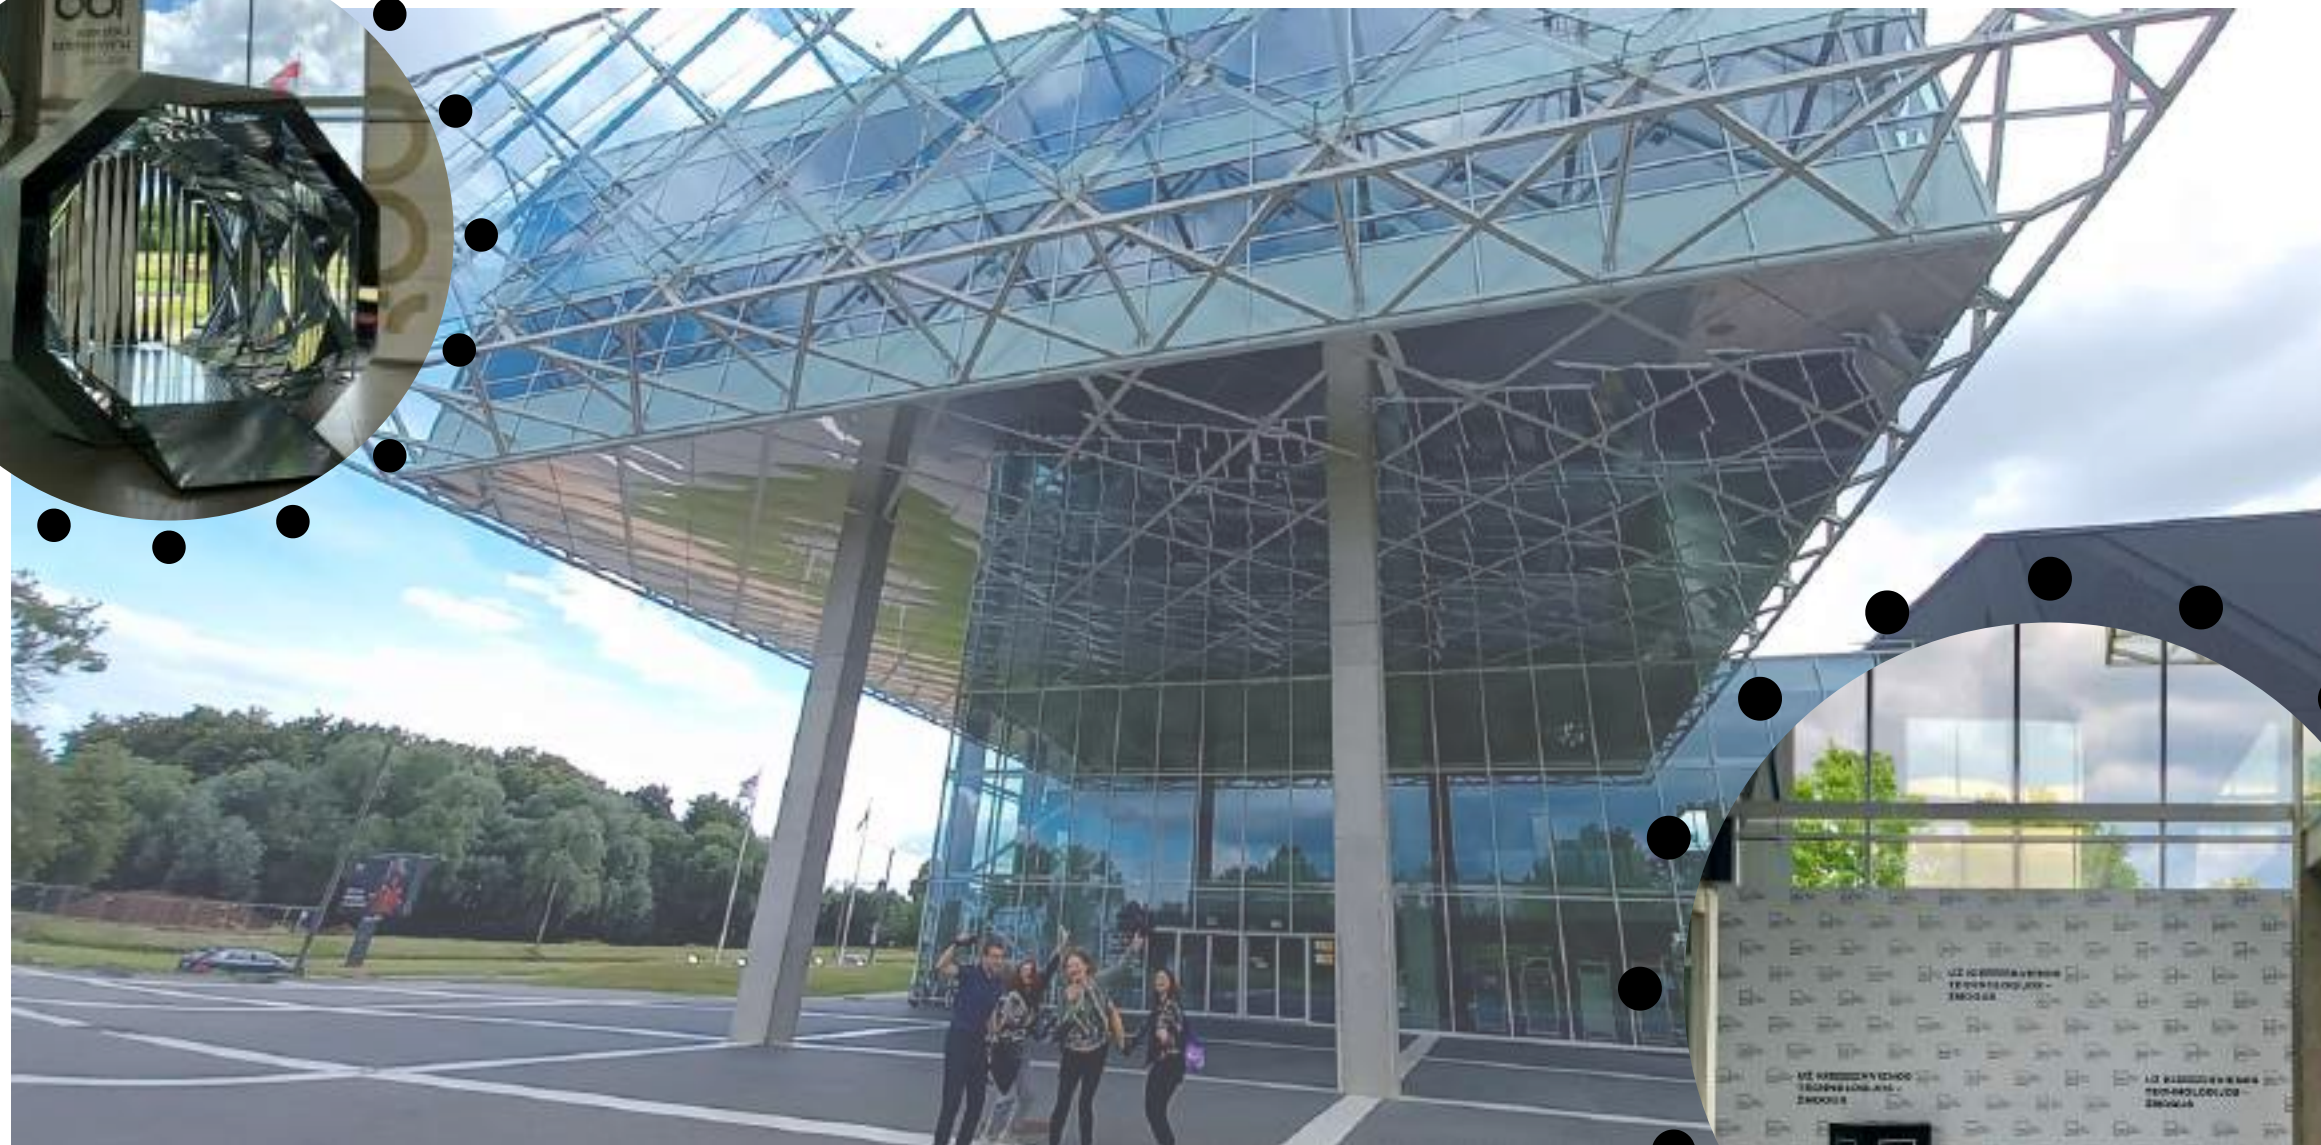

Where ideas become businesses...

The partners visited *KTU STARTUP SPACE* a startup incubator which actively work with innovative start-ups, trying to discover a potential of young entrepreneurs and encourage them to make their dreams come true.

Kaunas Science and Technology Park

The second visit was in Kaunas STP, a park whose action is focused on fostering innovative tech businesses and building the innovation culture in Kaunas.

Youth entrepreneurship

The partners had the chance to get to know young entrepreneurs and their businesses in different sectors:

- The advertising agency *What About*, one of the largest creative digital marketing agencies in Lithuania
- The family-run food truck *Meet4Meat* which offers fast food with fresh ingredients
- The telesoftware business *TeleSoftas* which builds radio operated networks all around the world

Visit to Kaunas City Municipality

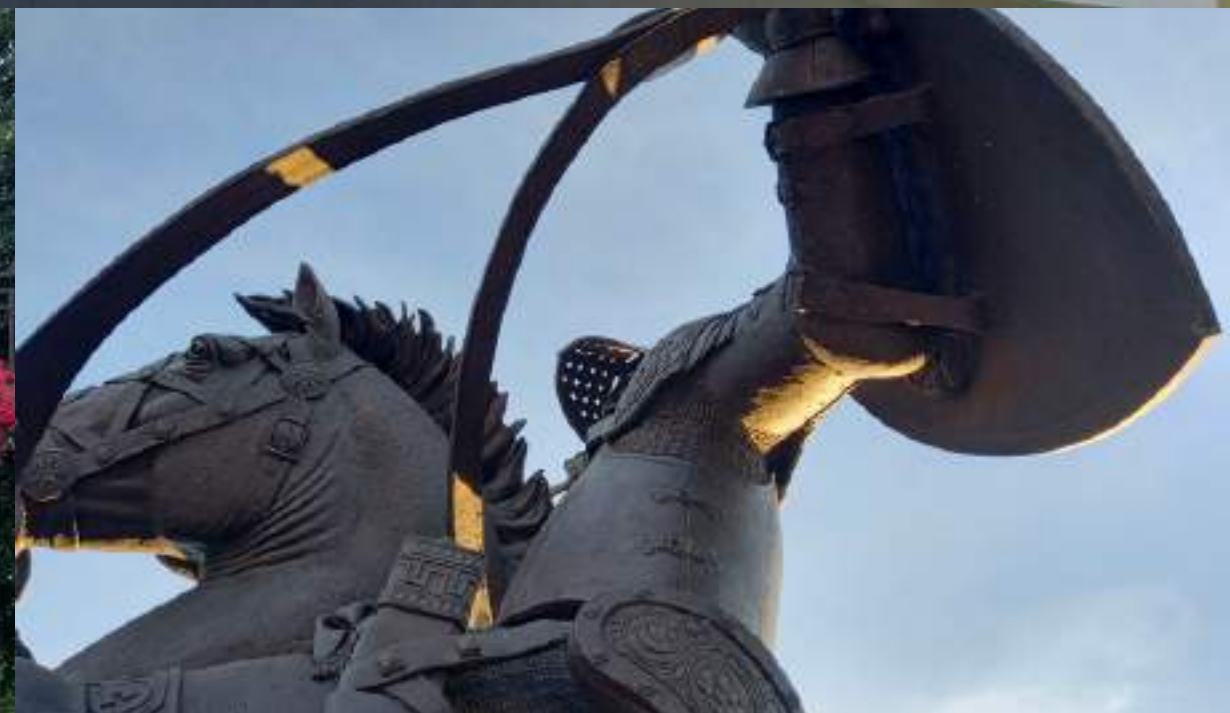

Meeting the vice-Mayor Mr Mantas Jurgutis

Establish important connections for future projects with the local partner in Kaunas (Lithuania)

*Discovering the
